Craig- We got this complaint about a restaurant in Dimock- Can you send us a list of who else is getting water in Dimock and whether they are public water system??
thanks!

Also- We accepted the settlement with Swamp Angel and should be getting a plugging plan to pass along to you folks for review and then we'll discuss if you/we have any issues with their proposal.

The diner is definitely getting bottled water deliveries and the rumor is the post office and the house connected to the diner are also affected. The Smithfield Cabot well is no more than .25 mile up hill from the diner...just south of Dimock on Route 29. Does the DOH inspect restaurants? What should I do with this information?
